Spreading a GRATEFUL VIBE

Helper, Utah—April, 26, 2023. **Helper Saturday Vibes is pleased to announce our 2023 sponsorships and community partnerships.** Our partners make it possible for Helper Saturday Vibes to continue a successful summer street festival experience for everyone. As we grow, and continue to offer more activities, live music, and great “vibes”, we contribute this success to the many community partners who have generously donated to our efforts.

Helper Saturday Vibes would like to thank Helper City for its support—we value our City Council members and city staff that have made the event possible. Additionally, we are grateful to The Helper Project, Tony Basso Group of Companies and Coca-Cola for participating as a Main Stage Sponsor and supporting live music in Historic Helper’s Main Street Park. We are excited to welcome 19 new bands in 2023.

We also appreciate our weekend partners Renewal By Anderson, Dragonfly Wellness, Castleview Hospital, Real Estate Titans, USU Eastern, and I Got Poop.com. You will see different activities and themes brought to you by these generous donors.

In 2023 we are proud to announce our “Imagination Station”, which will offer free kid’s activities. This area has been graciously sponsored by Little Learner’s Daycare and Charities.Vibes’ is a family-friendly event and we strive to only expand our activity offerings for youth and families.

We would also like to extend our gratitude to our additional community partners; JN Auto, Emery Telcom, the Miner’s Cottages, Empathetix, Castle Gate RV Park, Supreme Auto and Matsuda Acupuncture for their support.

Our community is stronger and more connected when supportive partnerships are recognized and valued by all, and we love our local partners!

We are continuing our top shelf creations this year and would like to thank our beverage and liquor partnerships; General Distributing ,Bulliet Bourbon, Tanqueray Gin, Ketel One Vodka , Captain Morgan Rum, Astral Tequila and Swire Coca-Cola.

As we launch in 2023, we continue our ZERO-WASTE efforts partnering with Howa & Sons and Helper's Homegrown for recycling and composting. Helper Saturday Vibes is an eco-friendly, open air market and street festival featuring unique and eclectic arts & crafts, music and performance art, handmade goods, and delicious gourmet foods. Helper is THE place to be this summer—a cultural hotspot to be celebrated for its creative offerings and diverse community heritage as well as its beautiful natural surroundings. Thanks to all our sponsors and partners for keeping our summers "Vibin".

Helper Saturday Vibes was created by Kimberly Kuehn, the CEO/Founder of the Park Silly Sunday Market in Park City, Utah, working with a strong team of 30 Carbon County locals.
